MONDAY	ALPE DI SIUSI RONDA
DESCRIPTION	Discover all the slopes of the Seiser Alm and its winter paradise in just one day of skiing. The Alpe di Siusi Ronda offers fabulous views of the imposing Dolomite peaks. There are several stations along this circuit, such as the Alpe di Siusi snowpark, children's fun park, self-timer facilities, and speed tracks. The wooden pillars of the seven stations tell the story of the world of witches and wizards.
START	11 am blue/white balloon @ Seiser Alm Aerial Cableway mountain station
END	4 pm blue/white balloon @ Seiser Alm Aerial Cableway mountain station
NOTE	ideal for children and families - prerequisite: parallel skis
TUESDAY	VALLE STELLA ALPINA
DESCRIPTION	Starting from Alpe di Siusi, after the Gardena Pass you reach Colfosco in Val Badia. The impressive Stella Alpina Valley stretches at the foot of the Sassongher peak in the Dolomites. Unique panoramic views of the Val Mezdi facing the Sella massif and cozy huts guarantee a relaxing skiing experience.
START	Meeting at 8.30 am at bus stop Compaccio – start 8.40 am
END	5 pm blue/white balloon @ Seiser Alm Aerial Cableway mountain station
NOTE	Alternative: Val Gardena Ronda
WEDNESDAY	SELLARONDA
DESCRIPTION	This is the name of the unique and spectacular ski tour that leads across the four Dolomite passes around the Sella massif. The interconnected tour links the four Ladin valleys of Val Gardena, Alta Badia, Arabba and Val di Fassa and can be completed in a single day of skiing starting from Alpe di Siusi. A superlative day of skiing for winter sports enthusiasts and experts alike.
START	Meeting at 8.30 am at bus stop Compaccio – start 8.40 am
END	5 pm blue/white balloon @ Seiser Alm Aerial Cableway mountain station
NOTE	Alternative: Gran Risa
WEDNESDAY	CIASPOLATA
DESCRIPTION	Relax with a romantic snowshoe hike away from the hustle and bustle of the slopes. Together with our experienced guide, you will explore the winter landscape of the Alpe di Siusi and discover one or two places that remain hidden for skiers. The route of the hike is determined on site by the guide, depending on the size of the group and your fitness level.
START	9.30 am ski school office @ Seiser Alm Aerial Cableway mountain station
END	3 pm ski school office @ Seiser Alm Aerial Cableway mountain station
NOTE	Eventual snowshoe rental is free

FRIDAY	VALLE DI FASSA - BUFFAURE
DESCRIPTION	From the Alpe di Siusi, through Val Gardena and via the Sella Pass we arrive to Val di Fassa. A modern cable car takes you to Buffaure, where winter sports enthusiasts can rock black slopes. On the way to the ski area there are fantastic views of the Catinaccio, Latemar, and Sassolungo.
START	Meeting at 8.30 am at bus stop Compaccio – start 8.40 am
END	5 pm blue/white balloon @ Seiser Alm Aerial Cableway mountain station
NOTE	Alternative: Marmolata

Registration by 6 pm the day before the respective tour through the hotel reception.

The meeting point for the Tuesday, Wednesday and Friday ski safaris is at the Compaccio bus stop. See image →

GOLD LEVEL means that there are no problems skiing on black slopes.

The DOLOMITI SUPER SKI skipass is required for all ski safaris except the Alpe di Siusi Ronda.
